

Lab gate — Week 4, Day 1

Show this with your PR before you leave. Name: _____

You are done only when every box is ticked.

- ☐ backend/go.mod exists (module named)
- ☐ Folder tree matches the handout (cmd/server + internal/*)
- ☐ go run ./cmd/server prints sms starting
- ☐ README has three product sentences + how to run
- ☐ .gitignore includes .env; no secrets / binaries in git
- ☐ Branch pushed and PR opened

PR URL

https://github.com/.../pull/...

Paste terminal line

sms starting

Instructor sign-off

Seen run + README + PR	Initials	Time

Homework: finish any missing pieces as the same PR before next class. No Gin yet.
